HO FOR THE PARK!

I Am Prepared

—TO FURNISH—

GOOD TURN OUTS

—AND—

EXCELLENT GUIDES

To those who contemplate making a tour of the National Park during the summer of 1891.

A trip through the Park is attractive and interesting under almost any circumstances, but it can be made exceedingly attractive by securing good traveling accommodations and guides who are familiar with the most wonderful scenes in that wonderful pleasure ground, and these I can furnish to the satisfaction of all tourists.

I AM WELL SUPPLIED WITH TENTS
AND CAMPING OUTFITS.
